Description :

PDF-cdaab | High school juniors Camelia and Ben have discovered a powerful bond: they both possess the power of psychometry, the ability to see the future through touch. For Ben, the gift is a frightening liability. When he senses a strong threat or betrayal, he risks losing control. Camelia's gift is more mysterious. When she works with clay, her hands sculpt messages her mind doesn't yet comprehend. ... *Deadly Little Games: A Touch Novel*
