Description :

PDF-d7d98 | He loved to laugh. He loved to make up silly songs to make his students laugh, too. But he also loved to think, and find out the answers to scientific puzzles. It didn't matter if the questions were asked by a seven year old boy or a famous scientist. J. J. Thomson thought that they were all worth answering. Of course, there was one little problem with his research: J. J. was brilliant, but he w... *J. J.
