Description :

PDF-b6f2e | Recent studies indicate that 30 million people may suffer from a clinically diagnosable eating disorder at some point in their lives. Additional statistics suggest that half a million teens are experiencing disordered weight control behaviors at any time. The overwhelming majority of individuals who suffer from eating disorders are girls and young women between the ages of 12 and 25, but young mal... *Eating Disorders: The Ultimate Teen Guide (It Happened to Me)*
