Description :

PDF-07fbd | Andrew woke up with a guinea worm coming out of his foot as a result of drinking unsafe water a year previously. Anjali awoke with a cough because smoke from kilns filled her dilapidated home. Tyler stayed home from school because he had a stomachache from eating bad beef. What are the links between the environments in which these young people live and their health problems? The stories, most set in... *Environmental Health Narratives: A Reader for Youth*
