by Nat Cotts : **Global Warming & Health (Health and the Environment)**

ISBN : #1934970360 | Date : 2008-09-01

Description :

PDF-528a4 | A United Nations sponsored organization made up of over 2500 of the world's leading scientists examined the impact global warming will likely have on human health and concluded that human-induced climate change "is likely to have wide-ranging and mostly adverse impacts on human health, with significant loss of life." Global Warming & Health is a timely and important book that looks at global warmi... *Global Warming & Health (Health and the Environment)*
