Description :

PDF-25b4a | Going green is hard to do, especially when it comes to food. There are acronyms to learn, labels to decipher, seasons to accommodate, and grocery stores to navigate--and that's before you even turn on the stove! The Green Teen Cookbook cuts through the chaos and shows teens how to shop smarter, cook more consciously, and eat a healthier diet. And in addition to the 70+ incredible recipes (created b... *Green Teen Cookbook*
