Description :

PDF-3281b | He's a seventeen-year-old British computer hacker who penetrated the security systems at Fort Knox for a laugh. But the American government was less than amused. Since his prank, gold bars have been landing in the hands of terrorists across the globe. Now, Carl has found himself in a military prison deep in the Arctic and far off the grid. He's been caged alongside the world's most notorious ter... *Icecore: A Thriller (Carl Hobbes Thriller)*
