Description :

PDF-f41cc | An epidemic strikes the United States, plunging the country into chaos. New York Times medical reporter Denise Grady uses this terrifying scenario, taken from the pages of a U.S. government report on the potential outcome of a pandemic, as the starting point for a journey into the gripping world of emerging diseases. In search of a better understanding of these often deadly diseases, Grady heads to... *New York Times Deadly Invaders: Virus Outbreaks Around the World, from Marburn Fever to Avian Flu*
