Description :

PDF-edc26 | It used to be you needed a crystal, a psychic, or a Ouija board to make contact with the spirit world. So who would think science would make it possible for just about anyone to experience a ghostly connection? Cameras, recorders, computers, magnetic field readers and other scientific means are now the tools of the trade. But there's so much available, how does the average teen weed through it all... *The Other Side: A Teen's Guide to Ghost Hunting and the Paranormal*
