Description :

PDF-f1431 | The Sensory Team Handbook is the first book on sensory processing written for pre-teens and young teens. Upbeat, humorous, and hands-on, each chapter is stuffed with comics, cartoons, diagrams, quizzes, trivia, and question-answer sections. The Handbook compares the senses to a sports team that needs a coach and then shows the reader how to coach that team. This sensory team approach turns therapy... *The Sensory Team Handbook: A hands-on tool to help young people make sense of their senses and take charge of their sensory processing*
