Description :

PDF-15fd8 | In this gripping sci-fi thriller, genetically altered teens fight for survival in a near-future society that is redefining what it means to be human. Sixteen-year-old Jimi knows people change, but nothing could prepare her for what's about to happen to her best friend, Del. Del is obsessed with becoming a chimera (ki-mir-a): a person who pays back-alley geneticists, known as "genies," to illegal... *Spliced*
