Description :

PDF-5727a | Young FBI agent Chevie Savano arrives back in modern-day London after a time-trip to the Victorian age, to find the present very different from the one she left. Europe is being run by a Facsist movement known as the Boxites, who control their territory through intimidation and terror. Chevie's memories come back to her in fragments, and just as she is learning about the WARP program from Professo... *WARP Book 2 The Hangman's Revolution*
